Nederburg

## NEDERBURG HERITAGE HEROES

*The Heritage Heroes collection of individually named, hand-made gourmet wines, honours some of the legends who have shaped Nederburg and its history as one of South Africa's most awarded wineries. Every one of these wines has been made with a focus on originality, whether in terms of technique or choice of varietal, to offer wine lovers a greater and more nuanced spectrum of flavour.*

### **The Anchorman Chenin Blanc 2022**

‡ R195

*The Anchor Man is named for Nederburg's founder, Philippus Wolvaart, who bought the farm in 1791 and planted Chenin blanc, amongst other varietals. He had the vision and courage to tame a wilderness and grow great wine. His fingerprints are still on every wine we make. This wine is made from old-vine Chenin blanc grapes.*

Lively acid prevents it from cloying or being unbalanced. Good body and structure but with real mouthfeel and presence. Harmonious and rewardingly long.

### **The Motorcycle Marvel Rhone Style blend 2020**

‡ R230

*The Motorcycle Marvel, a Rhône-style red blend, honours the legendary winemaker Günter Brözel, who was cellar-master at Nederburg from 1956 to 1989. He played a leading role in building Nederburg's reputation as the most awarded winery in South Africa. A maven and a maverick, he is known for his exceptionally high standards. Getting around on a 250cc BSA motorcycle, he checked on everyone and everything to ensure his exacting demands were met. He is an icon in South African winemaking.*

A plush, textured Rhône-style red blend which has all its component parts in proportion, confident and assured with superb equilibrium of fruit and oak. The dark berry fruit is rich and ripe, it's succulent, layered, refined and suave, but also muscular. Almost like seeing a ballet dancer perform with subtle grace and powerful artistry.

### **The Brewmaster Bordeaux Style Blend 2020**

‡ R230

*The Brew Master is a classic Bordeaux-style red blend that commemorates brew master and tea specialist Johann Graue, who revolutionised winemaking in South Africa with his clonal selection efforts to isolate top-performing vines for reproduction and introduction of cold fermentation techniques. Graue understood long before the rest that one must begin with the best raw materials and that excellent wine originates in the vineyards.*

The proverbial sheep in wolf's clothing, this wine conceals more than it reveals. It's powerful and muscular but it's under control and self-possessed. Rich with dark blue and black berry fruit flavour with vibrant spice highlights and complexity added by a dried herb nuance, there is something gentle and appealing in its subtle violet florality on the periphery.

DURBANVILLE  
HILLS

## DURBANVILLE HILLS COLLECTORS RESERVE

*Inspired by Cape Town's radiant energy and creative demeanour, our new premium offering - The Collector's Reserve - is a unique range specially crafted by our winemakers using only the finest grapes from Cape Town's best vineyards. To truly connect the Winelands and City, we have handpicked prominent landmarks in Cape Town and commissioned a vibrant Capetonian artist - Theo Vorster - to impart his vision of these landmarks onto each bottle. This range has been designed as a collector's item for both wine and art lovers alike.*

### **The Cape Gardens Chenin 2022**

!R160

*The Company's Garden in Cape Town dates back to when fresh produce and supplies were first provided to ships rounding the Cape. Although originally a vegetable garden, it was not long before the first Chenin Blanc vineyards were planted, and today, the Gardens are recognised for their contribution to the Cape's horticultural heritage. The Chenin Blanc is a true tribute to these Gardens and the origins of Chenin Blanc in the Cape of Good Hope.*

Full concentrated wine with wellintegrated wood spice and prominent citrus and pineapple flavours on the palate.

### **The Promenade Pinotage 2021**

!R180

*A leisurely stroll down the seafront promenade affords breath-taking panoramic views of Table Mountain and the Atlantic Ocean, a beautiful reminder that certain experiences should be savoured and enjoyed at a leisurely pace. The Pinotage rewards an unhurried approach with lingering complexity on both nose and palate.*

An elegant, medium to full-bodied red wine with a velvety smooth tannin structure. Bursting flavours of ripe, red mixed berries are prominent with an enticing hint of dark chocolate lingering on the palate. This wine boasts a well-balanced acidity and sublime mouthfeel.

### **The Lighthouse Merlot 2021**

!R180

*The cheery red and white candy-striped lighthouse in Green Point with its foghorn, affectionately known as "Moaning Minnie", is well-known for guiding ships along the misty Cape coast. These misty, cool climate conditions develop the Merlot's unique character, displaying notes of mint and red cherry.*

A medium to full-bodied, elegant red wine with a robust tannin structure. Bursting flavours of ripe, juicy plums, dark cherries and French vanilla are noted on the palate with lingering chocolate and baking spices.
